Paul Davis Insurance Services are independent agents representing a variety of carriers for Medicare Supplement, Medicare Advantage and Part D prescription drug plans.

We do not charge for our services. We are paid a commission when we enroll someone in the plans we represent. We are excellent at helping people decide whether to transition onto Medicare and how to do it.

Paul Davis has over 35 years' experience as a licensed insurance agent. Most of that time was spent helping people with a variety of health insurance plans. For the past 12 years the focus of his practice has narrowed to only working on Medicare health plan options.
